## 4. Advantages & Disadvantages:

### Advantages:

Open living plans

Separate pantry

Kitchen island

Master bedroom with walk-in closet and bathroom.

### Disadvantages:

Not require careful planning design and construction.

Risk over working

Distraction at home

Disproportionate work-life balance.

## 5. Application:

Not only are you providing dream home to be the home that fits you the right time of your life. If your home just does not fit, then it may be time to look for another idea dream home.

## 6. Conclusion:

The India of my dream will be an ideal country where every citizen will be equal also there is no discrimination of any type.

## 7. Future scope:

Houses will be interactive and fully wireless, allowing us to access data from any point. A drive for extensive resource efficiency could see water harvested and recycled within each home.
